Lutheran Family Services of Nebraska with the Forever Families Guild Creates and Restores Safe and Happy Childhoods

Lutheran Family Services of Nebraska (LFS) serves ALL of God's people! Nearly 90% of LFS clients are not Lutheran. On any given day, LFS manages services for over 2,000 children—and that does not include the hundreds of babies and preschoolers at the Centers for Healthy FamiliesSM. Other children's programs supported by the work of the Forever Families Guild include Adoption LinksSM, pregnancy & parenting services, foster care, RSafe[®] (treatment for children & families affected by child sexual abuse), mental health services for children and youth, and in-home services.

(Please refer to the Children Services brochure for more in-depth program information.)

“Being part of the Forever Families Guild is an opportunity not only to change the life of a child, but to change your own life as well. We believe in getting involved, making a difference and changing our community – one child at a time.”

—Teri Krohn
Guild President
